Dear Parents,

After consultation with the Parish Finance Council, the following fee structure has been set down for 2016. Even though our State Government funding has been capped for the next three years this has only caused a slight increase of approximately \$17 per term to next year's fees.

If our fee structure causes any problems for our existing families, please call the school and make an appointment to speak with the Principal.

2016 School Fees

One child	\$347 per term	\$1041 per year
Two children	\$607 per term	\$1821 per year
Three children	\$780 per term	\$2340 per year
Four children	\$780 per term	\$2340 per year

Facilities and Maintenance Levy	\$270	yearly per family
Resource Levy	\$140	yearly per child
Numeracy Levy	\$40	yearly per child
Technology Levy	\$60	yearly per child

Payments for fees can be made by EFTPOS, Direct Debit, BPay, or Centrepay.
